

Foreign Weapons Instructor Course (FWIC) Course M02KYC9

Gear List

1. Uniforms. Serviceable MARPAT utility uniforms will always be worn. During winter months, beanies are only allowed to be worn while down range. Heavy fleece may be worn if under the utility uniform or Gortex.

2. Equipment. Students must bring all required gear, as well as a copy of their **ORIGINAL ORDERS, COMMAND SCREENING CHECKLIST, CURRENT BTR, FLIGHT ITINERARY** (as required), and **WAIVERS** (as required). Failure to report with required gear and documents are grounds for dismissal from the course. Failure to meet the course prerequisites without a prior approved/coordinated waiver will result in Marines being returned to the parent command upon check-in.
